ELIGIBILITY

Class A consists of persons actively engaged in the Textile Maintenance Industry in Massachusetts. Annual Dues include the legislative assessment.

Class B consists of persons actively engaged in the Textile Maintenance industry in Connecticut, Maine, New Hampshire, New Jersey, New York, Rhode Island, and Vermont. Dues are discounted because there is no legislative representation in these states. If one of the multiples is located in Massachusetts, the dues for that state would prevail.

Class C consists of persons engaged in business allied with the Textile Maintenance Services Industries or others whose interests are common with the above Industry.

Class D consists of persons connected with institutions, including hotels, hospitals, schools, stores, or other similar establishments where the laundry is not operated for commercial purposes.

ANNUAL DUES*

Class A
Single plant members \$600.00
Members with multiple locations
processing and/or depots \$1000.00

Class B
Single plant members \$400.00
Members with multiple locations \$600.00

Class C
All companies \$400.00

Class D
All companies \$400.00

*NELA's dues covers the period of August 1 - July 31. Companies joining mid-year will be credited on their second year's dues.

BENEFITS OF MEMBERSHIP

LEGISLATIVE UPDATES: An informed industry is a pro-active industry. Using a lobbyist, NELA tracks the Massachusetts legislative issues affecting your business. You are kept up-to-date as issues arise and develop. Issues such as worker's compensation, unemployment compensation, sales tax, and mandatory health care are closely watched.

SEMINARS IN WINTER AND SPRING & FALL CONFERENCE: Informative meetings keep you in touch with issues concerning your industry. Topics are of benefit to owners, managers, and staff. Meetings give you maximum exposure to the issues, innovations, and decision-makers influencing your business. Members can attend all meetings at a **DISCOUNTED RATE**, allowing you to bring additional staff members. You also have the opportunity to participate in fun group activities allowing you to network and meet other professionals working in your industry. These meetings give you the chance to associate with others who have survived the lean years and prospered in the good years. Share common concerns, find practical solutions, and help build a better industry.

GOLF OUTINGS: Opportunity to meet other professionals in an informal atmosphere on the golf course. Prizes are awarded for the winning team, as well as for the longest drive and closest to the pin.

MEMBERSHIP DIRECTORY: A membership directory is distributed to all members on an annual basis and allows you to have industry resources at your fingertips.

NEWSLETTER: This new benefit includes updates on issues affecting the industry, news from members, and highlights of events. It is distributed quarterly.
